CHARACTER

2021, a winemaker's vintage. A vintage that demanded perseverance and patience, given the climatic challenges of the season. But what pride in the result. Our Pinot Noirs stand out for their finesse and freshness. The wines of Domaine Rebourseau, delicate and elegant, embody a classicism worthy of the greatest Burgundies.

Jacky Rigaud in Gevrey-Chambertin Joyau du Terroir

CLIMAT

The climat is situated upon crinoidal limestone (limestone formed with fossils), which in certain places is less than 15cm from the surface. This climat is full of contrasts, stretching from Les Ruchottes to the lower part of the Combe of Lavaux, west of Gevrey-Chambertin. A steep bank of several dozen meters separates the upper part of the climat from its lower portion.

PLOT

The plot is entirely protected from the north by the tree-lined grounds of an imposing residence. Its position at the bottom of the slope benefits from a generous soil which confers surprising vigor upon this vine.
