CHARACTER

2021, a winemaker's vintage. A vintage that demanded perseverance and patience, given the climatic challenges of the season. But what pride in the result. Our Pinot Noirs stand out for their finesse and freshness. The wines of Domaine Rebourseau, delicate and elegant, embody a classicism worthy of the greatest Burgundies.

"Oh how many deeds, how many glorious achievements remain unsung in the darkness and the shadows."

Jean François Bazin citant corneille à propos du Mazy du domaine.

CLIMAT

The name Mazy was first used in 1420. Situated in the continuation of the Clos de Bèze, it is evident that the use of this climat for winemaking purposes has a long history. The Mazis are sited upon crinoidal limestone (limestone formed with fossils) dating from the lower Bajocian era, and calcareous rocks rise to the surface of this brown soil. Superbly protected from the north by the village, the Mazy-Chambertin is one of Gevrey's subtlest and most complex grands crus

PLOT

The Domaine's Mazy plot stretches along the length of a gentle slope from the bottom of the Route des Grands Crus to Chambertin Ruchottes at the top of the slope.
